

READsquared

Habit Forming

The New York State Library is pleased to offer READsquared at **NO COST** to public libraries statewide!

READsquared is an online reading program solution. This powerful application offers customization and configuration of CSLP-themed summer reading programs and other reading and learning programs, as well as readers' advisory tools for all ages and all reading levels.

READsquared can help libraries of any size brand their reading programs and increase registration and participation of individuals, families, and groups through activities, book lists, challenges, and more. The product offers a variety of features to meet each library's unique needs:

- ✓ Popular themed, seasonal, and 1,000 books programs
- ✓ Digital badges, prizes, and certificates
- ✓ Individual, family, and group accounts
- ✓ Curated reading lists by age
- ✓ Moderated, searchable book reviews
- ✓ Hundreds of learning games for all ages
- ✓ ILS and catalog integration
- ✓ Multilingual interface
- ✓ Seamless paper registration and logging
- ✓ Multiple reporting capabilities
- ✓ Role-based security and permissions

READsquared's theme-based programs have helped us save significant time and effort, while allowing us to engage more of our users than ever before!

We love how easy it is to customize our program, and the support is stellar.
